Project Expenditure Subcategory	2.35-Aid to Tourism Travel or Hospitality
Status To Completion	Cancelled
Adopted Budget	\$0.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$0.00
Total Cumulative Expenditures	\$0.00
Current Period Obligations	
Current Period Expenditures	
Project Description	<p>The New York State Department of Labor (DOL) is administering the program in order to provide one-time stimulus payments of \$2,750 to as many as 36,000 workers in select tourism sectors who have been displaced from employment because these sectors and jobs were least likely to have returned following the pandemic. Industries impacted especially hard by the pandemic include tourism-specific industries, such as hotels and motels, food service contractors, limousine service, and travel agencies. The Department of Labor is contacting eligible New Yorkers regarding this one-time payment directly by email and text message with further instructions. Eligible New Yorkers must complete a self-attestation through DocuSign and certify that they are not fully employed to receive the one-time payment.</p>

## Project Name: Restaurant Resiliency SFY 2023

Project Identification Number	28351-23
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.35-Aid to Tourism Travel or Hospitality
Status To Completion	Completed
Adopted Budget	\$754,777.94
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$754,777.94
Total Cumulative Expenditures	\$754,777.94
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00

Project Description	The Department of Health (DOH), in conjunction with the Department of Agriculture and Markets (AGM), administered this program which partnered with local restaurants who used locally-sourced supplies which provide healthy meals to those in need. The organization of the program allows for unique upstream and downstream benefits to support multiple community and business sectors impacted by COVID-19 through the deployment of these funds. The program provided grants to the Regional Food Banks to support the procurement of healthy meals that were created by local restaurants and distributed through the emergency food system to individuals with food and nutrition insecurity. These Food Grant Assistance Payments addressed a key need in disproportionately impacted communities services to address the negative economic impacts of the pandemic.

Total Cumulative Obligations	\$220,801,601.00
Total Cumulative Expenditures	\$220,801,601.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	Empire State Development (ESD), the State of New York State's chief economic development entity, is administering the program to assist COVID-19 impacted small businesses and is in order to support the small businesses that typically have the least access to resources. The program strategically encourages participation from micro-businesses, socially and economically disadvantaged business owners, minority and/or women owned businesses, and small businesses that did not receive adequate federal COVID-19 support. Program grants generally represent a significant proportion of an awarded small business' operating expenses, and the investment has helped small businesses recover from the devastating impacts of the COVID-19 pandemic. Grant awards from the Program are allowing small businesses across the State to cover costs such as payroll, rent or mortgage payments, personal protective equipment (PPE) expenses, utility bills, and any costs associated with compliance with COVID-19 health and safety protocols.

Please provide an explanation of how revenue replacement funds were allocated to government services	Revenue replacement funds will be used to preserve service capacity in human services, including programs serving children, developmentally disabled individuals, and other vulnerable populations, as well as community mental health and substance disorder, education, transportation, and public health and safety services. Many of the services provided to the most vulnerable populations are done so by not-for-profit and voluntary organizations that are substantially dependent on State aid. These organizations were subject to 20 percent temporary payment withholds in aid that began in June 2020, which would have severely affected services if they had continued and were not restored. In addition, ARP resources have allowed for the repayment of the deferred State worker general salary increases, as well as allowing the return to critical staffing levels
